Re: Use of Sunscreen

Dear Parent/Guardian:

Effective July 2012, schools are no longer required to obtain a medical provider order to allow a student to carry and use sunscreen in school if: (1) the sunscreen is used for the purpose of avoiding overexposure to the sun and not for medical treatment of an injury or illness; (2) the sunscreen is approved by the FDA for over-the-counter use; and (3) the student's parent or guardian provides written permission for the student to carry and use sunscreen. A student who is unable to physically apply sunscreen may be assisted by unlicensed personnel when directed to do so by the student, if permitted by a parent or guardian and authorized by the school.

Please contact your school nurse if you have any questions.

Sincerely,

Patricia Firone

School Nurse
